Book File Details:

Review: This was a selection from a member of my postal book club. Ordinarily, I would not have picked up a middle grade book at my age. That being said, I am so grateful to the person who selected this. I would have LOVED this book when I was in the target age range of 10-14. As it is, I loved it now many, many years past that. It's got mystery, fantasy, friendships,...

Description: Alistair Cleary is the kid who everyone trusts. Fiona Loomis is not the typical girl next door. Alistair hasn't really thought of her since they were little kids until she shows up at his doorstep with a proposition: she wants him to write her biography. What begins as an odd vanity project gradually turns into a frightening glimpse into the mind of...
